A BENEFIT FOR

Advocacy
Center
for crime victims and children

CHANGE STARTS WITH YOU!

The Advocacy Center for Crime Victims and Children isn't an island unto itself. Everyday, we rely on volunteers and philanthropists who are willing to share their time, experience, and finances to serve their community. Without the help of involved community members, we could not sustain our efforts and continue to help our neighbors who have been victims of crimes.

This is where you come in. Your help, in the form of volunteerism and monetary donations, allow you to be a part of the difference we are making in our community. Please consider helping the Advocacy Center by whatever means you are most able. The two most common ways you can help are through your donations and volunteering with The Advocacy Center for Crime Victims and Children. Thank you in advance for your consideration!

Many people are hurting because of an act of violence committed against them. Anyone – men, women, and children – may be affected by violence. Our children are subjected to neglect, physical, emotional and sexual abuse. Research shows as many as 1 in 4 girls will be victims of sexual abuse by the time they are 18-years-old. For boys, the number is 1 in 6. Often the abuse is a “family secret” passed from one generation to another.

There is hope and restoration at the Advocacy Center. The Advocacy Center for Crime Victims and Children began in 1976 as the Waco Rape Crisis Center. It has grown into an umbrella agency with three programs, the Children's Advocacy Center (CAC), The Victims Center, and Prevention and Education – offering many services to the hurting in our community.

Over the past year the Advocacy Center for Crime Victims and Children has:

- ◆ CONDUCTED **452** DEVELOPMENTALLY SENSITIVE AND LEGALLY SOUND FORENSIC INTERVIEWS FOR CHILDREN AGES 2-17
- ◆ RESPONDED TO **386** CRISIS HOTLINE CALLS
- ◆ PERFORMED **241** SEXUAL ASSAULT MEDICAL EXAMS OF CHILDREN AND ADULTS IN THE CENTRAL TEXAS REGION
- ◆ PROVIDED DIRECT COUNSELING AND ADVOCACY SERVICES TO **490** PRIMARY AND SECONDARY VICTIMS OF CRIME
- ◆ PRESENTED **1,500** PREVENTION RELATED PROGRAMS TO MORE THAN **10,250** COMMUNITY MEMBERS
