SECTION 5: NOTE TO THE SUBJECT OF THE BACKGROUND CHECK

A person is listed in the DFPS Central Registry when all the following occur:

- The person has been investigated for child abuse or neglect by Child Protective Services (CPS), Child Care Investigations (CCI), or HHSC Provider Investigations.
- The investigation resulted in a disposition of *Reason to Believe* for CPS and CCI cases or *Confirmed and Validated* for HHSC Provider Investigations cases.
- The person is listed as a designated perpetrator or sustained perpetrator.

Cases involving adult victims are not included in the DFPS Central Registry.

In addition, a person will not clear the Central Registry check if that person is involved as an alleged perpetrator in an open child abuse or neglect investigation being conducted by DFPS. A new Central Registry check may be requested at the end of the investigation to determine whether the person has been listed as a designated perpetrator on the DFPS Central Registry.

As the subject of this background check request, you have the right to review the results of this check. If the Central Registry identifies you as a person who has been found to have abused or neglected a child, DFPS only sends the results directly to you by mail or email. You have the option to share these findings with the organization listed above (see Section 3).

The criminal history check from DPS includes all Texas-based arrests and dispositions, including both convictions and cases with unknown dispositions. In some cases, the search produces juvenile criminal history results.

Information about unknown dispositions may not be current. If the results returned from DPS include an unknown disposition or to dispute the criminal history record, visit the DPS Criminal History Error Resolution webpage for more information on how to update the criminal history record.

SECTION 6: PRIVACY STATEMENT

DFPS values your privacy. For more information, read our Privacy and Security Policy.

SECTION 7: SIGNATURE

Only the subject of the background check can sign this form.

I am the person listed above in Section 1 of this form. The information in this document is correct, and I am a prospective or current volunteer, employee, or board member of the organization listed in Section 3.

I agree to update the organization of any changes to the information above.

I give permission to the organization listed in Section 3 to request a Central Registry child abuse and neglect background check and a DPS criminal history background check, as well as any subsequent checks so long as I am active with that organization.

I authorize DFPS to send the results of this background check via email, and I acknowledge that DFPS cannot guarantee that information sent electronically is secure and accessible only to approved parties.

I understand that the information I am providing will be part of any request and that providing false information is a violation of Texas Penal Code Section 37.10.

By law, any information obtained through DFPS is confidential information and is personal in nature. I understand that I may have access to or may view confidential and sensitive information. I will not disclose confidential information to other people and under no circumstances will I intentionally access confidential information for any purpose other than in the performance of my assigned job duties.
